GLAZED

## Glazed Doors

We offer a variety of glazed doors. Single or double-glazed acoustic doors up to an acoustic performance rating 41 Rw dB. We also offer a wide choice of options for internal fire rated door sets. The door leaf can be supplied in either 10mm or 12mm glass, with hinges which are face fixed to either our single or double glazed acoustic door frames.

**All glazed doors are a bespoke design to fit your space!**

## Timber Doors

We have a variety of solid core acoustic timber doors which include 44mm FD30 and 54mm FD60 in a wide range of veneers and vision panels.

All timber doors are in compliance with DDA regulations, a choice of ironmongery, and bespoke options combine to meet the required specification.

**All timber doors are a bespoke design to fit your space!**

FR DOORS

## Fire Rated Doors

Our glazed fire doors are supplied in either single or double glazed with the choice of concealed or surface mounted hinges or a choice of concealed or surface mounted face closers.

All doors are tested to BS 476 Part 22 and are certified from 30 to 180 minutes.

We also have options for panic hardware and automatic operators which are all smoke resistant to C5 specification.

**All fire rated doors are a bespoke design to fit your space!**

## Ceiling

Our team of qualified ceiling fixers are highly skilled in installing a variety of ceiling finishes. Part of our ceiling finishes include suspended ceilings, exposed ceilings, MF plasterboard ceilings, timber acoustic ceiling. We understand how important it is to complete your project on time, on budget and with as little disruption to your workforce as possible.

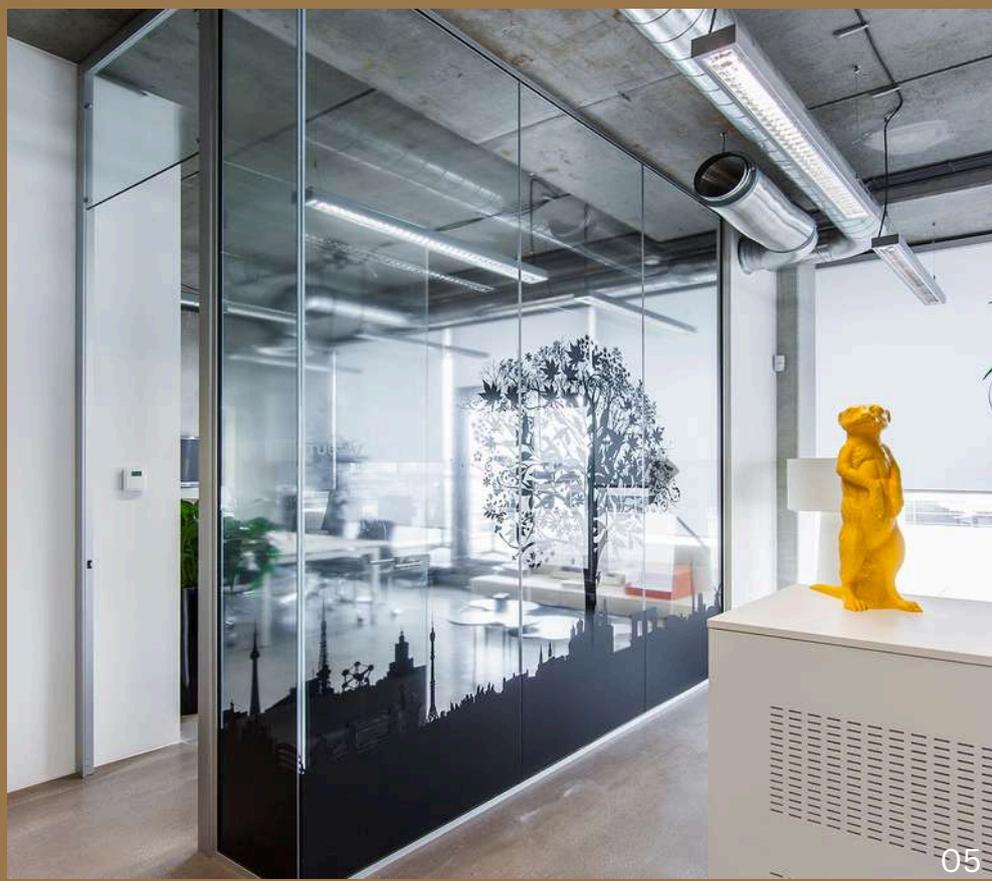

GLAZED

## Glazed Walls

Our glazed walls are perfect to maximise natural light or aesthetically pleasing interior design. Manifestations can be added onto the glazed panels to create bespoke features within the space. Our walls come as single glazed or double glazed and all panels are fire rated achieving up to FR30/30.

**All glazed walls are a bespoke design to fit your space!**

## Tea Points

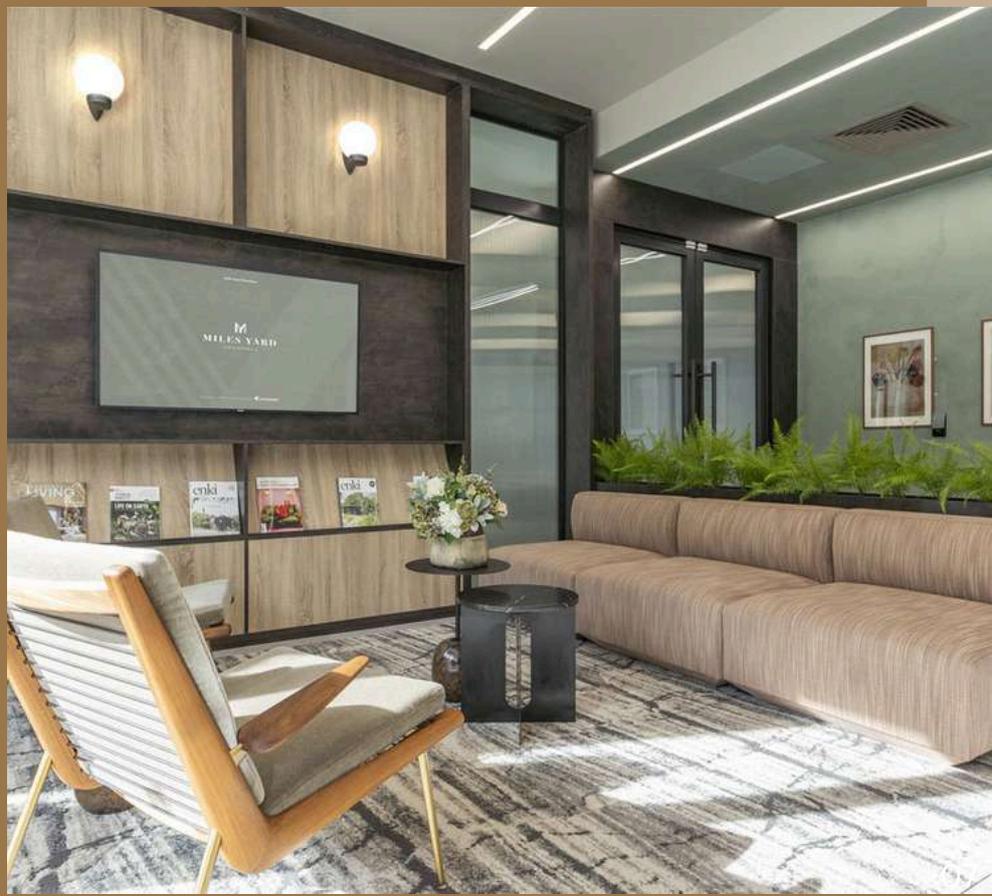

We specialise in designing and installing modern work tops ideal for any commercial setting. Our tea points are designed using bespoke joinery to achieve a high quality finish and all tea points and kitchenette are designed to fit your specifications .

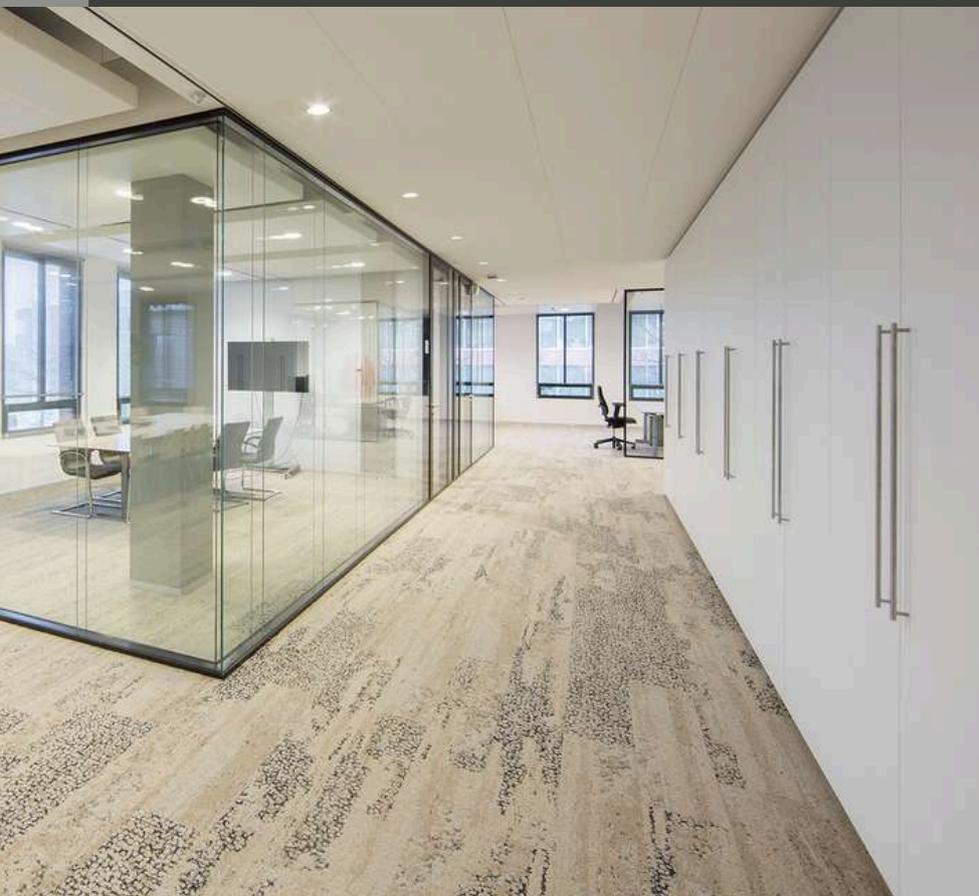

DECORATION

## Decoration

Our team of qualified decorators are experts in commercial and medical spaces. We understand how important it is to complete your project on time, on budget and with as little disruption to your workforce as possible.

## Flooring

Our team of specialists are experts in commercial and medical spaces. We understand how important it is to complete your project on time, on budget and with as little disruption to your workforce as possible. We can work to your specification and make your vision come to life.
